Upcoming Events

September 6 - Happy Labor Day!

September 13 - Auxiliary Luncheon

Due to the circumstances surrounding Covid, the bi-monthly meeting and luncheon have been **CANCELLED**. Rachel will be in touch in regards to a future meeting and luncheon.

September 17 - Holiday Decor Price

Join us at 10 am to help price out the holiday decor donated for the Fall Craft Fair!

September 22 - Baking Day

If you would like to help with baking for our Fall Craft Fair Bake Sale, we will begin at 10 am that day! **We need a Welsh Cookie Recipe!!**

September 25 - Fall Craft Fair

For those of you that signed up to help that day, Rachel will be in contact in the next couple of weeks to confirm your job for that day!

Fall is Upon Us!

Due to recent circumstances surrounding a positive Employee and several residents, no visitors or volunteers will be permitted into the facility for at least 14 days from August 29th. I will be in contact once visitors are permitted back into the nursing home. A decision on whether or not the Fall Craft Fair will move forward has yet to be determined. We will plan as usual and if anything changes, I will be in contact with you all ASAP!

I have still included the September Calendar on the back of this sheet for your reference. Thank you all for your continued patience and understanding as we still navigate through these changes.

An additional thank you to everyone who donated greeting cards for our Sunshine Club as well - it is very appreciated! I hope you all have a wonderful Labor Day Holiday with your friends and family! As always, stay safe...

Don't forget!!

If you have received the Covid Vaccine, please provide Rachel a copy of your vaccination card so that our Administration has it on file. Thank you in advance!

If you are on Facebook - we now have a Facebook Group called "The Meadows Volunteers". JOIN OUR GROUP!

One on One Visits

We are currently looking for volunteers willing to come in for one on one visits with residents. We have found there are several residents that are struggling to adjust to this life change and could really use a friend to talk to. Life tends to be so much easier when you have a friend to confide in, right?

Whether it be once a month or once a week, any time given to provide some comfort to our residents is extremely valuable to their mental and emotional well-being!
