Update...

It has surely been an interesting month while we have had to navigate Covid in the nursing home once again. I greatly appreciate all of your patience and understanding during this time. I know it has not been easy to be away for a long period of time, come back and then not be permitted inside once again.

I am sad that our Fall Craft Fair was cancelled, but the Mum Fundraiser that we have done in it's place has turned out to be a big success! We have sold over 100 mums!!! **THANK YOU** to all of you that helped promote the fundraiser and even purchase mums. It will be a good addition to our Auxiliary funds and I hope we will continue with this fundraiser each year as I believe it can be even better when we have more time to plan.

I hope to see you all soon and will be in touch as soon as we are able to permit volunteers back inside the facility. Our residents miss you dearly!!!

Don't forget!!

If you have received the Covid Vaccine, please provide Rachel a copy of your vaccination card so that our Administration has it on file. Thank you in advance!

If you are on Facebook - we now have a Facebook Group called "The Meadows Volunteers". JOIN OUR GROUP!
