

# *the Meadows* AUXILIARY

## Newsletter

December 2021

### Upcoming Events

#### December 3 - Auxiliary X-Mas Party

Noon @ Irem Country Club. Please note that if you RSVP yes, and do not show up the day of the party without a phone call or notice, there will be a fee to cover your plate. Emergencies happen, but please call!

#### December 11 - Poinsettia/Wreath Pick Up Day

THANK YOU to our volunteers Lou Ellen Zekas & Ann Kline for volunteering at Darlings for pick up!  
Pick up your poinsettias & wreaths from 10 am - 12 pm.

#### December 23 - Christmas Card/Calendar Day

We will need volunteers to help on this day passing out Christmas Cards & the 2022 calendar gifts from the Auxiliary. Please let me know if you are interested!

### REMINDER!

If you have received the Covid BOOSTER shot, please provide an updated copy of your vaccine card. Thank you!

### WELCOME BACK!

I'm SO happy to have you all returning to The Meadows - **welcome back!**

I'm sure most, if not all of you, received my letter in regards to the requirements to returning to The Meadows. We have already had a change in the mask policy - see how quickly that happened?! We were able to have surgical masks only with protective eye wear and NOW it is back to N95 masks. All employees/volunteers will be required to wear an N95 mask along with goggles or a shield while in the presence of residents. This is due to several positives being detected on the resident care floors last week.

Any volunteers whom would like to return may wear the N95 that fits them best until you are able to be fit tested. I will have two different masks available! I am currently working on scheduling days and times for volunteers to be fit tested. Bear with me!! It has been very challenging with the continuous policy changes.

Aside from masks, we are officially getting into the Christmas season! The residents really look forward to this holiday, but for some it can be very lonely with lack of visitors. If anyone would be interested in doing some one on one visits with residents, I know this would be greatly appreciated!! Any time given whether it be with visits, activities, etc. is wonderful! A "**Thank You**" is simply not enough for all you do for our residents. Please know that we all appreciate your hard work and the effort you all put into volunteering, ESPECIALLY during these times where policy changes daily. It truly is an ode to all of you. I look forward to seeing you all more this holiday season! Merry Christmas & Happy New Year!
