### Upcoming Events

#### January 10 - Market on the Pond Meeting - 10:30 AM

If you are interested in helping plan MOP 2022, I definitely recommend attending our first meeting as we lay the foundation of planning this event! Please RSVP with Rachel if you plan to attend.

#### January 10 - Auxiliary Meeting & Lunch - NOON

Please RSVP with Rachel (570) 675-8600 by January 5th if you plan to attend. Luncheon will take place at Noon at The Nursing & Rehab Center in the All Purpose Room.

#### January 23-29 - Activity Professionals Week

We are celebrating Activities Professionals Week & showing our appreciation for our fantastic activities team. I know many of us spend a lot of time with Katie, Sue, Angela & Laura & they have done a lot to help our volunteers. If you are interested in writing a "Thank You" note to them, I will be collecting them throughout the month of January to give to them this week.

#### April 22 - Volunteer Recognition Luncheon

Mark your calendars! The luncheon will take place at Apple Tree Terrace at Noon. Invitations and more info will follow.

### IT'S A NEW YEAR...

#### WELCOME TO 2022 ALL!

I hope you all had a wonderful and joyous holiday and New Year! Our residents sure enjoyed their Christmas gifts provided by the Auxiliary - they were shocked at how much they received!

It's hard to believe 2021 has already come and gone, but I know 2022 has a lot in store for The Auxiliary. We will begin to plan for Market on the Pond along with our Annual Membership Drive, and MORE. So buckle up, because I think 2022 is going to be a very busy but fun year for all of us!

Currently, we are requiring surgical masks be worn along with protective eyewear (face shield or goggles) when any employee or volunteer is in the presence of residents. Testing is still required on Mondays and Thursdays from 8:30am-10:30am OR 2 pm-4pm. Please be sure to get your Covid Test on the appropriate day prior to your volunteering that week.

We have our upcoming January Auxiliary Meeting and Luncheon along with our first Market on the Pond Meeting that same day. We have chosen to start a little earlier this year since we have not been able to host MOP for two years and need to get a handle on the planning. I hope most of you can attend to provide input, suggestions, etc. It is needed to make this event a success!

Let's make this our best year yet!
